

We Should Be Together

The Cats

I think about you but I don't want to
I dream about you're smile and face
And I keep trying not to love you but I love you anyway
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied

I have talk to come to know you
I've come beneath you're company
What will I do if I can't have you?
If I can't have you, what will I do?
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied

We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied
We should be together, together
We should be walking side by side

We should be together, together
Keeping each other satisfied
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied
We should be together, together
We should be walking side by side
