

And If I Fall

The Charlatans

I want to touch somebody
I want to touch somebody for real
I want to change the world
I want to touch somebody
I want to take away their bad things for sure
I want to change their world
Just for the hell of it, just for the sake of it
Just 'cause I want it
And if I fall by the way-side
I am coming down with my hands tied
There is no fall after my pride
Just for the hell of it, just for the sake of it
Just 'cause I need it, just 'cause I want you

I want to give to somebody
I want to give to somebody - good
I want to change the world
Just for the hell of it, just for the sake of it
Just 'cause I want it
If I fall by the way-side
I'm coming down with my hands tied
There is no fall after my pride
Just for the hell of it, just for the sake of it
Just 'cause I need it, just 'cause I want you
And if I fall by the way-side
I'm coming down with my hands tied
There is no fall after my pride
Just for the hell of it, just for the sake of it
Just 'cause I need it, just 'cause I want you
And if you fall by the way-side
I'm coming down with my hands tied
There is no fall after my pride
Just for the hell of it, just for the sake of it
Just 'cause I need it, just 'cause I want you
