

# Let's Go Together

The Charlatans

If I succeed  
In being in your dreams  
I will unwind, I'd be easy to find  
Let's not get lost  
It would come at a cost  
In trying to reveal  
Who you really are

Let's go to get her - Let's go together  
Yes, let's go to get her, together

Buried alone  
Beneath desert stones  
Be sad to leave  
My motel hideout  
Sun is low in the sky  
Seasons changing again  
Heartbreaks and earthquakes  
On their way to us

Let's go to get her - Let's go together  
Yes, let's go to get her, together

TV says there'll be snow on the drive  
I'll try to get to you tonight  
I should be holding you tight  
Reading the letters we sent  
Thinking bout words that you said  
I hope that the forecast is wrong  
Trying to get to you  
Get to you, get to you  
Get to you

We are all we need  
We do alright  
Move out of the dust and into the light  
Say goodbye  
Open your eyes  
It's time to go  
It's the end of the road

Let's go to get her - Let's go together  
Yes, let's go to get her, together

Let's go to get her - Let's go together  
Yes, let's go to get her, together  
Together  
Together  
Together

Let's go to get her - Let's go together  
Yes, let's go to get her, together  
Together  
Together
