

# Sincerity

The Charlatans

For me your sincerity  
Is like a litany  
I find atrocities  
In your monotony  
I see ability and  
With care it comes to me  
I have autonomy and  
New possibilities

Hey, hey, hey, new possibilities

Ah! Ah! Sincerity  
Ah! Ah! Sincerity  
The honesty of our sincerity

For temporary visibility  
You'll find hope in your sincerity  
Perhaps a little sensitivity  
Towards a new found creativity  
I felt, a soul, lost in twilight  
Like a child on a motorway  
In a haze, a blur of red lights  
New possibilities

Hey, hey, hey

Ah! Ah! Sincerity  
Ah! Ah! Sincerity  
The honesty of our sincerity

Now what does all of this  
Now mean to me?  
Well it's just a moral victory  
Discovering eccentricities  
No doubt of authenticity  
I see ability  
And with care it comes to me  
I have autonomy  
And new possibilities

Hey, hey, hey

Ah! Ah! Sincerity  
Ah! Ah! Sincerity  
Sincerity, sincerity
