

## 24 Hours Of Sadness

The Chi-Lites

24, woo hoo hoo, hours of sadness

24, woo hoo hoo

(24 hours of sadness) Since my baby's been missin'

(24 hours of madness) All I need is her sweet kissin'

I wish I knew (wish I knew)

Just where I could find her (find her)

Oh she don't know (she don't know)

The love she left behind her, oh

(24 hours of teardrops) Since my baby's been missin'

(24 hours of heartbreak) All I need is her sweet kissin'

Oh how can I (how can I)

Can I live without her (without her)

Oh she don't know (she don't know)

The love she left behind her, oh

(24 hours of sorrow) Oh maybe tomorrow

(24 hours of grievin') All I need is her sweet kissin'

Oh she don't know (she don't know)

The love she left behind her (behind her)

Oh wish I could (wish I could)

I wish I could remind her, oh

Bom bom bom, bom bom, bom bom, 24 hours of sadness

Bom bom bom, bom bom, bom bom, 24 hours of madness

24, woo hoo hoo, hours of sadness

24, woo hoo hoo, hours of madness

24, woo hoo hoo, hours of sadness

24, woo hoo hoo, hours of madness
