

# I Have A Dream (It Feels Like Home)

The City Harmonic

I have a dream  
That you can have with me  
Of a city that shines so bright at night

Where love is true  
But this love He finds you  
And there is a fire in His eyes  
Where I can see everything's alright

It feels like home  
Sweet home  
There's no, no, no, no, no, no, no place like home

When I awake  
That day of glory  
Your love will light the sin-deep streams

O we will meet  
Our souls are longing  
We'll be a symphony of peace  
Brothers and sisters will be free  
Thank God Almighty they'll be free

It feels like home  
Sweet home  
There's no, no, no, no, no, no, no place like home

It feels like home  
Sweet home  
There's no, no, no, no, no, no, no place like home  
Yeah!

Oooooohhh  
I hear the bells are ringing  
Oooooohhh  
I see the city lights  
Oooooohhh  
The dream was real until you close your eyes

It feels like home  
Oooooohhh

It feels like home  
Home  
Home

It feels like home  
Home  
Home

It feels like home
