

# Shout!

## The City Harmonic

Burst into new song  
Sing out in wide-eyed wonder  
Look at what He's done  
For you and I and all the earth  
Stained glass and steeples  
From Cairo to California  
A portrait of people  
Painted by the grace of God

(Shout!)

Strike up the band  
Shake the ground, let's shout  
The streets they will ring with the sound  
Let's shout!  
There's joy in the noise as we bring  
Our praise to the King  
Our praise to the king

(Shout!)

Strike up the band  
Shake the ground, let's shout  
The streets they will ring with the sound  
Let's shout!  
There's joy in the noise as we bring  
Our praise to the King  
Our praise to the king

Roar with the ocean  
Cheer with the raging river  
Move with the mountains  
Dancing in their jubilee  
We've all been waiting  
For the grand finale  
Creatures, creation  
Echoing in harmony

(Shout!)

Strike up the band  
Shake the ground, let's shout  
The streets they will ring with the sound  
Let's shout!  
There's joy in the noise as we bring  
Our praise to the King  
Our praise to the king

(Shout!)

Strike up the band  
Shake the ground, let's shout  
The streets they will ring with the sound  
Let's shout!  
There's joy in the noise as we bring  
Our praise to the King  
Our praise to the King

He saved us from ourselves and then  
He saved us from our sin  
He saved the world from end to end

Made peace again  
Forever

(Shout!)

Strike up the band  
Shake the ground, let's shout  
The streets they will ring with the sound  
Let's shout!

There's joy in the noise as we bring  
Our praise to the King  
Our praise to the King

(Shout!)

Strike up the band  
Shake the ground, let's shout  
The streets they will ring with the sound  
Let's shout!

There's joy in the noise as we bring  
Our praise to the King  
Our praise to the King
