

Away in the Manger

The Clark Sisters

Stars in the sky look down where he lay
Little Lord Jesus sleep in the hay
The cattle are lowing, the poor baby awakes
But little Lord Jesus, no crying he makes, he makes
I love the Lord Jesus, I love the Lord Jesus
Look down from the night sky, look down from the sky
The little Lord Jesus, Jesus
Watching, watching the lullaby, my lullaby

Away in a manger
No crib his bed
Stars in the sky
Look down where he lay
Little Lord Jesus
Sleep in the hay
