

Been So Good

The Clark Sisters

God's been so good to me
Opened doors I could not see

I'm gonna tell it
I'm gonna tell it
I got to tell it
I got to tell it
I'm gonna tell it
I'm gonna tell it
I got to tell it

God's been so good to me
Opened doors I could not see

How in the world can I forget
What he's done for me
He loosed my shackles
And he set me free
Everyday I look back
And see what he's done for me
Never let a day go by without
Recognizing that his grace is
So good (So good)
So kind (So kind)
So good (So kind)
So kind (God's been so good)

God's been so Good to me
Opened doors I could not see

God has worked some miracles
Things he's done for me
He took the pain I felt inside
Gave me the victory
God has worked some miracles
Things he's done for me
He took the pain I felt inside
He gave (He gave)
He gave (He gave)
He gave (Oooh yeah)

I give him the praise (For what he)
For what he's done for me (Oooh I give him the praise)
I give him the praise (Because he)
He rules the land and the sea (Oooh I give him the praise)
I give him the praise (For what he)
For what he's done for me (Anybody really wanna give him praise)
I give him the praise (Because he)
He rules the land and the sea (Oooh anybody wanna give him praise)
I give him the praise (Yea)
For what he's done for me (Oooh I gotta give him praise)
I give him the praise (Yea y'all)
He rules the land and the sea (Ooh he woke me up this morning)
I give him the praise (Yea)

I give him the praise (Oh yea)
He rules the land and the sea (Hold up, I'm not done giving him praise)

For what he's done for me (Oh no no)
I give him the praise (Oh no)
He rules the land and the sea (Ooh gotta give him praise)
I give him the praise (Yea)
For what he's done for me (Oh from where he brought me from)
I give him the praise
He rules the land and the sea (Hold up, I'm not done, I gotta keep on)
Gotta keep on
Gotta keep on
Gotta keep on
Getting my praise on
Cause he rules the land and the sea
Gotta keep on
Gotta keep on
Gotta keep on
Getting my praise on (I gotta keep my praise on)
Cause he rules the land and the sea
