

# I Don't Know Why

The Clark Sisters

Fascination is what it is, keeps me wanting to do his will  
He only meant to lay down his life  
For not just one, but for all, he died  
And surely only asked all who love him  
To follow without question and to be his prized possession

I don't know why (why he chose to love me)  
And I don't know why (why he gave his only son)  
But I do know why (why my life is not the same 'cause in my heart he came and made a change)  
Here I am

Understanding of what this was and now I realize that it was love  
Yes, love's the reason why the man laid down his life  
For not just one, but for all he died  
And still he only asked all who love him  
To follow without question and to be his prize possession

I don't know why (just why he chose to love me)  
And I don't know why (and why he gave his only son)  
But I do know why (why my life is not the same 'cause in my heart he came and made a change, here I am)  
I don't know why (why he did it all for me)  
And I don't know why (why he gave his life that day)  
But I do know why (why we all should give ourselves willingly inside)  
Here I am (oh)  
Yeah

Here I am (whatever you want me to be)  
Here I am (whatever you need me to be)  
If it was for your love, for your grace (what would I do, where would I go, where would I be today)

I don't know why (why he chose to love me)  
And I don't know why (why he gave his only son)  
But I do know why (why my life is not the same 'cause in my heart he came and made a change)  
Here I am  
I don't know why (why he did it all for me)  
And I don't know why (why he gave his life that day)  
But I do know why (why we all should give ourselves willingly inside, oh Lord)  
Here I am  
I don't know why
