

# I'm Going To Have Just What I Want

The Clark Sisters

Oh, the Devil whose a liar (you're a lie, you're a lie)  
Cause I believe on (believe on)  
Is he here? (he's here, he's there, he's everywhere)  
(And he has his prayer and I'm gonna have)

Just what I want  
Just what I want  
Just, just what I want, just, just what I want  
Just

Ooh, Devil you a liar (you're a liar, you're a liar)  
For I believe on (believe on)  
Is he here? (he's here, he's there, he's everywhere)  
(And he has his prayer and I'm gonna have)

Just what I want, just what I want  
Just, just what I want  
Just, just what I want  
Just

Is it love you need? (love you need)  
Oh God's got it (you can have it)

Oh God's got it (you can have it)  
If it's love you need (love you need)  
I know, I know (you can have it)

Oh you can have (I know you can have it)  
Oh you can have it (you can have it, you can have it)  
You can have that joy (you can have it, you can have it)  
Unspeakable joy (you can have it, you can have it)  
You can have that peace (you can have it, you can have it)  
Everlasting peace (you can have it, you can have it)  
Oh you can have (you can have it, you can have it)  
Go on everybody you can have it (you can have it, you can have it)  
Oh you can have it all (you can have it, you can have it)  
You can have it

Love you need? (love you need)  
Oh God's got it (and you can have it)  
If it's peace you need (love you need)  
Oh God said (and you can have it)  
If it's love you need (love you need)  
You can have it (and you can have it)  
If it's peace you need (and you can have it)  
Have it (and you can have it)
