

# I Won't Let You Go Till You Bless My Soul

The Clark Sisters

I won't let go lord till you bless my soul  
I won't let go lord till you bless my soul [2x]

[Chorus:]

I won't let go lord till you bless my soul  
I won't let go lord till you bless my soul

Down here on my knees lord I pray yeah  
And I won't let go

[Chorus]

Oh somebody told me just the other day  
Not to let go till you bless my soul  
A preacher told me just the other day  
Not to let go till you bless my soul

Down here on my knees lord I pray  
Standing at the altar while my soul is waiting

A missionary told me just the other day  
Told me don't let go till you bless my soul  
Sitting in church on a Sunday evening  
Somebody told me to hang on and don't let go.

Never let go till you bless my soul  
Never let go till you bless my soul  
Rain on me, Shine on me, Fall on me  
Let the windows of heaven flood my soul [repeat as desired]
