

Jesus Forevermore

The Clark Sisters

Read in the scriptures
His word is true
There is no secret what the Lord can do
Miracles and blessing
He has for you
Just trust in him and great things he'll prove

He has the power
To see you through
There is no secret what the Lord can do

So many blessings he has for you
Just just in him and great things he'll prove

Jesus the same yesterday, today, forevermore Jesus the same yes
terday, and today forever and ever and evermore
Gods word will always stand
(it will never change)
God word will always (stand)
(it will never change)

Jesus the same yesterday, today, forevermore Jesus the same yes
terday, and today forever and ever and evermore
Gods word will always stand
(it will never change)
God word will always (stand)
(it will never change)

stand
stand, stand, stand
It will never change [2x]
