

Jesus Has A Lot To Give

The Clark Sisters

The Devil's fight to conquer you
He's been at you very light
But if you get him behind you
He will see from you
You'll be strong

You've gotta lot to live
And Jesus has a lot to give
You've got a lot to live
And Jesus has a lot to give

And when the Devil finds you
He causes you to sin
But you can always run from him
Just let Jesus step right in

(Oh you) you've gotta lot to live
And Jesus has a lot to give
(Oh you) you've got a lot to live
And Jesus has a lot to give
And Jesus has a lot to give

You've got a lot to live
You've got a lot to live
He's got a lot to give
He's got a lot to give

You've got a lot to live
And Jesus has a lot to give
You've got a lot to live
And Jesus has a lot to give
And Jesus has a lot to give

You deserve a break today
So get up and get away
Oh the right way

(Oh you) you've gotta lot to live
And Jesus has a lot to give
(Oh you) you've got a lot to live
And Jesus has a lot to give
And Jesus has a lot to give

Try him, you'll like him
Try him, you'll like him
Try him, you'll like him
Try him, you'll like him
Try him, you'll like him
Try him, you'll like him
