

Jesus Loves You

The Clark Sisters

Jesus loves you
Jesus loves you
Yes he loves you
And I do too
He gave, he gave his life
For me and you
He wants to give you happiness
And bless you too

He wants to give you what you want (he wants to give you)
He wants to give you what you want (oh, let him do you)
He wants to give you what you want (he'll give you, he'll give
you what you need)
He wants to give you what you want (oh, Lord, he'll give you)
Give you peace (yeah, yeah, yeah)
Inspires up your heart (he'll give you, he'll give you)
Inspires every need (oh, oh, oh, oh)
He'll give you what you want (let him give you, oh)
He wants to give you what you want (let him give you)
He wants to give you what you want (oh yeah)
Give you peace (give you peace, give you peace)
Give you peace (give you peace, give you peace)
Give you peace (give you joy, joy)
Give you peace (oh, oh)
Give you peace (oh yeah, yeah, yeah)
Give you peace

He gave
He gave you happiness
And he gave you life for me
He'll give you happiness
And happiness
He'll bless you too
