The Clark Sisters

Give me back my time  
Give me back my truth  
Give me back my joy  
I don't belong to you  
Give me back those years  
I'll trade you all these tears  
You can have these fears  
I gave them all to you

I don't want it, no more, no more, no  
I don't need it, no more, no more, no  
You don't have it, all back, going back, going  
I don't want you (No)  
I don't need you (No)

'Cause I, found me a love that won't leave me  
Divine, so full of grace, full of mercy  
And I, found my security in him  
Inside his eye  
I'm a one of a kind, special design  
I'm a masterpiece (yeah)  
I'm a masterpiece (yeah)  
I'm a masterpiece (yeah)  
I'm a masterpiece

Give me back my sanity  
Give me my dreams  
Before you I believe that I  
I can do anything  
You can have these doubts  
I found my way out  
Truth done set me free  
I'll give you your key

I don't want it, no more, no more, no  
I don't need it, no more, no more, no  
You don't have it, all back, going back, going  
I don't want you (No)  
I don't need you (No)

'Cause I, found me a love that won't leave me  
Divine, so full of grace, full of mercy  
And I, found my security in him  
Inside his eye  
I'm a one of a kind, special design  
I'm a masterpiece (yeah)  
I'm a masterpiece (yeah)  
I'm a masterpiece (yeah)  
I'm a masterpiece

Ohhhhh, ohhhhh, ohhhh, ooooooo

I'm a, I'm a masterpiece  
I'm a, I'm a masterpiece  
I'm a, I'm a masterpiece  
I'm a, I'm a masterpiece
