

Nobody

The Clark Sisters

- Alright, wow that's great rehearsal. Um I think we need to back over that part
- Was is the cue?
- Yeah we need to take it from the top
- Yeah, that's a nice groove though
- Yeah
- Yeah
- I ain't say all that

I said no-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him

It doesn't matter what you're going through, so never give up
There's nothing he won't bring you through
So if you're down, get up (get up, get up)
If you're down, get up (get up, get up)
If you're down
There's no battle he can't fight, he will give eternal life

I said no-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him

When you've tried all you know to do, so never give up
It's nothing he won't do for you
So if you're down, get up (get up, get up)
If you're down, get up (get up, get up)
If you're down
There's no battle he can't fight, he will give eternal life

I said no-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him

Ooh, no one, no one, no one, no one can
Do me like him, do me like him
No no-no-no, no-no-no, no one
There's no battle he can't fight, he will give eternal life

I said no-nobody can do me like him
Love me like him, hold me like him

No-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him
No-nobody can do me like him
Love me like him, hold me like him

Ooh, no one, no one, no one, no one can
Do me like he can
No no-no-no, no-no-no, no one
There's no battle he can't fight, he will give eternal life

Nobody (oh no)
No no-no no-no, no n-no-no no-no
Can do me like him (I feel my help)
Nobody (nobody, nobody can touch me)
No no-no no-no, no n-no-no no-no
Can do me like him
Nobody (nobody, nobody)
No no-no no-no, no n-no-no no-no
Can do me like him
Nobody
No no-no no-no, no n-no-no no-no
Can do me like him
Nobody
No no-no no-no, no n-no-no no-no
Can do me like him
Nobody
No no-no no-no, no n-no-no no-no
Can do me like him
Nobody (nobody do me like him)
No no-no no-no, no n-no-no no-no
Can do me like him
Nobody
No no-no no-no, no n-no-no no-no (nobody can do)
Can do me like him
