

# Nothing Too Hard

The Clark Sisters

God is bigger than my problems  
God is taller than my mountain  
(He's in control, the Earth he patrols)  
Nothing

Nothing too hard (oh nothing)  
Nothing too hard (he specializes)  
Nothing too hard, oh no (in the impossible)  
Nothing too hard  
Oh there's nothing, nothing, nothing too hard for God

God almighty moves all obstacles  
God is greater than your trial  
(The world he framed)  
The structure he changed  
(The structure he changed)  
Changed

Nothing too hard (nothing)  
Nothing too hard (oh nothing)  
Nothing too hard, oh no (nothing)  
Oh there's nothing, nothing, nothing too hard for God  
(No, no, no nothing too hard)

Nothing too hard (put it in his hands)  
Nothing too hard (all you gotta do is lean on him)  
Nothing too hard (and trust, trust in his word)  
Nothing too hard (rest on his promise)  
Nothing too hard (he'll solve all your problems)  
Nothing too hard (yes he will, yes he will, oh wait on him)  
Nothing too hard (trust in him)  
Nothing too hard (lean on him)  
Nothing too hard (he will never, never, never, never let you do  
wn)  
Nothing impossible [?] (he'll be a friend)  
Nothing too hard...
