Only Believe

The Clark Sisters

```
Only believe [2x]
All thing are possible

If you only (only believe [3x])
Only believe

There's not a problem he cannot solve
There's not a mountain you cannot climb
If thou will believe
Then thou will receive

(all things are possible [4x])
If you only (only believe [3x])
Only believe

(all things are possible [4x])
If you only (only believe [4x])
Only believe
```
