

So Much He's Done for Me

The Clark Sisters

You can't tell it let me tell it
You can't tell it let me tell it
You can't tell it let me tell it
So much he's done for me yeah
So much he's done for me yeah
So much he's done for me yeah
Yes he's done for me [2x]

Look where he brought you from
I can't help but praise him
(praise him for what he has done)
If I had 10,000 tongues
I couldn't
(I couldn't praise him enough for what he's done [2x])

You can't tell it let me tell it [3x]
So much he's done for yeah [3x]
Yes he's done for me

If you won't praise him (well than)
I'll praise him [4x]

If you won't praise him (well than)
I'll praise him [4x]

Watch me praise [4x]

If you won't praise him (well than)
I'll praise him [4x]

Get up off your seat and move your feet [6x]

If you won't praise him (well than)
I'll praise [4x]

Watch me praise him [2x]

If you won't praise (well than)
I'll praise him [4x]

If you won't praise (well than)
I'll praise him
