

Something New

The Clark Sisters

Jesus you birth something new in me [4x]
A new anointing
A new refreshing
There's been a change you open my eyes that I might see
A new walk
A new talk
A new song
A anointing
Oh I receive it right now I believe that it's done [2x]
[Repeat]

He's birthing and anointing [10x]

Oh I receive it right now I believe that it's done [2x]

He's birthing and anointing [10x]

Oh I receive it right now I believe that it's done [2x]
