

This Christmas

The Clark Sisters

Hang all the mistletoe
I want to get to know you better
This Christmas
And as we trim the tree
How much fun it's gonna be together
This Christmas
The fire, fire, fire, fireside blazing bright
We're caroling through the night

And this Christmas will be
A very special Christmas for me

Y'all keep your hands together on this one
Come on, come on, where's that Christmas spirit?
Shake a hand, shake a hand, shake a hand, yeah
I'mma sing that one more time

Hang all the mistletoe
I want to get to know you better
This Christmas
And as we trim the tree
How much fun it's gonna be together
This Christmas
The fireside blazing bright
We're caroling through the night

And this Christmas will be
A very special Christmas for me, yeah
Shake a hand, shake a hand, oh

Presents and cards are here
My world is filled with cheer and you, whoa whoa
This Christmas
And as I look around, I look around
Your eyes outshine the town, they do
This Christmas
See the fireside blazing bright, oh
We're caroling through the night

And this Christmas will be
A very special Christmas for me, yeah oh
Shake a hand, shake a hand, spread some love

Detroit, let me hear you say this Christmas, everybody
(This Christmas)
Yeah, Detroit one more time, this Christmas, come on
(This Christmas)

Whoa, the fireside blazing bright, oh
We're caroling through the night

And this Christmas will be
A very special Christmas for me, oh
Shake a hand, shake a hand, yeah oh
Everybody shake a hand, oh, oh yeah
Shake a hand, shake a hand, yeah oh

Now in the midst of that
We can't forget the real reason
The real meaning of Christmas
I got my pastor in the audience, y'all
Dr. J Drew Sheard, so I gotta go here
I gotta put a little church in this one, y'all feel me?
Come on Alex, let's see if we could do this
Something like this

He is the reason
Anybody feel like that, uh, sing it with me
He is the reason
That's it, that's it, that's it, one more time
He is the reason
If you really believe it, if you really believe it
Open up your mouth, here we go
He is the reason
He, yeah (he is, he is the reason)
I'm glad that he came into my life one day (he is the reason)
I don't know what I would do without the Lord on my side (he is the reason)
He showed me, he brought it over and over and over (he is the reason)
And over, yeah (he is, he is the reason)
The reason, he opened up doors and showed me new life (he is the reason)
Let's not forget who he is, the essential meaning is Christ (he is the reason)
He came to redeem for everlasting life (he is the reason)
He came to save, yeah ooh (he is, he is the reason)
Oh God, you're the reason for my happiness (he is the reason)
The reason for my joy in the midst of sorrow (he is the reason)
The reason I can smile when [?] (he is the reason)
Oh, oh, oh (he is, he is the reason)
The reason haha I wonder if I got a witness (he is the reason)
You gotta say it like you mean it though
Don't play with it, don't play with it, come on say it again (he is the reason)
He is the reason, the reason we shall not perish, oh (he is the reason)
Oh, believe (believe)

This Christmas will be
A very special Christmas for me, yeah
For you and me
Shake a hand, shake a hand, yeah oh
