

Work To Do

The Clark Sisters

Go to work (y'all, we gotta go to work y'all, I can't be late)
Go to work (time is running out) (what y'all say?)
Go to work (I don't know about y'all, but I'm outta here)
Clark Sisters (what?)
Go work (okay)

Time is getting rough
The going's getting tough
Well I'm almost at my wits
But it's not time to quit (why because)

I got a little more time to stay (got a little)
I got a little more time to pray (got a little)
Got a little more time to help somebody (got a little)
Give them a helping hand

I've got work to do (sho' nuff), work (spreading the gospel 'round)
I've got work to do, work (whether in or out of town)
I've got work to do, work (sho' nuff, given the time, I must run not faint)
I've got work to do, work (when night falls, it's a bit too late)

Working hard all day
Time to get my pay
Clock shows on the wall
Not much time at all (why because)

Got a little more time to live (got a little)
Got a little more time to give (got a little)
Got a little more time to help somebody (got a little)
Give them a helping hand

I've got work to do, work (spreading the gospel 'round)
I've got work to do, work (whether in or out of town)
I've got work to do, work (giving the time)
I've got work to do, work ('cause when night falls, it's a bit too late)
I've got work to do (hey), work (spreading true love around)
I've got work to do, work (whether in or out of town)
I've got work to do, work (just given the time, I must run not faint)
I've got work to do, work ('cause when night falls, it's a bit too late)

Gotta work, yes I'm gonna work, real work, any work
Now it's time to work, yes work y'all (hey)
Gotta work, yes I'm gonna work, real work, any work
Now it's time to work, let's work y'all (yeah)
