

You Heard My Cry

The Clark Sisters

You heard my cry and wipe tears from my eyes
You heard my cry and wipe tears from my eyes

You heard my cry and wipe tears from my eyes
You heard my cry and wipe tears from my eyes

Delivered me when I was in trouble
You strengthen me when I wasn't able
Oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh

My daughters just trust me you can depend on me My children just
trust me you can depend on me

You heard me everytime I pray
You kept me each and everyday
You heard me everytime I pray
You kept me each and everyday

You heard me (you heard me) everytime I pray
You kept me (you kept me) each and everyday
For the rest of my life I'll give you praise, praise
