

Gates Of The West

The Clash

- C**
1. I would love to be the lucky one on Chill Avenue
Ami
Who could keep your hear warm when ice has turned it blue
G
But with the beggin' sleeping losers as they turn in for the night
C
I'm looking back for home and I can see the lights
2. I should be jumpin' shoutin' that I made it all this way
From Camden Town Station to 44th and 8th
Not many make it this far and many say we're great
But just like them we walk on an' we can't escape our fate

Ami **F** **G**
X: Can't you hear the sighing
C **F**
Eastside Jimmy and Southside Sue
G **Csus C**
Both say they needed something new

C
R: So I'm standing at the gates of the West
Emi
I burn money at the lights of the sign
F **G** **C**
The city casts a shadow of the perfect crime

I'm standing at the gates of the East
Emi
I take my pulse and the pulse of my friend
F **G** **C**
The city casts a shadow, will I see you again?

3. The immigrants an' remnants of all the glory years
Are clustered around the bar again for another round of beers
Little Richard's in the kitchen playing spoons and plates
He's telling the waitress he's great

4. Ah say I know somewhere back'n'forth in time
Out on the dustbowls, deep in the roulette mine
Or in a ghetto cellar only yesterday
There's a move into the future for the U.S.A.

X: I hear them crying
Eastside Jimmy and Southside Sue
Both say they needed something new

R: So I'm standing...

Standing at the gates of the West
In the shadow again
Standing at the gates of the West
In the shadow again
In the shadow again
