

# London Calling

The Clash

**Emi Ami7 G Ami7**

**Emi Ami7**

London calling to the faraway towns

**Emi G**

Now that war is declared and battle come down

**Emi Ami7**

London calling to the underworld

**Emi G**

Come out of the cupboard, all you boys and girls

**Emi Ami7**

London calling, now don't look to us

**Emi G**

Phony Beatlemania has bitten the dust

**Emi Ami7**

London calling, see we ain't got no swing

**Emi G**

Except for the ring of that truncheon thing

**Emi G**

The ice age is coming, the sun's zooming in

**Emi G**

Meltdown expected the wheat is growing thin

**Emi G**

Engines stop running but I have no fear

**Emi Ami7 D**

Cuz London is drowning and I live by the river

**Emi Ami7**

London calling to the imitation zone

Forget it brother, you can got it alone

London calling to the zombies of death

Quit holding out and draw another breath

London calling and I don't wanna shout

But while we were talking I saw you noddin' out

London calling, see we ain't got no highs

Except for that one with the yellowy eyes

The ice age is coming, the sun's zooming in

Engines stop running the wheat is growing thin

A nuclear error but I have no fear

Cuz London is drowning and I live by the river

Now get this

London calling, yes I was there too

An' you know what they said - well some of it was true!

London calling at the top of the dial

An' after all this, won't you give me a smile?

**Emi**

I never felt so much a' like...
