

Beautiful Darkside

The Classic Crime

The faster I find the bottom
The sooner I turn it around
It seems as though I forgot
Just how far down
That I can go in an instant
And I can take you there
And I can take all my friends and family and I won't care
Cause I have the most reckless heart when I try
I have the most beautiful darkside
I need to find some meaning
Something true to believe in
Cause left to my own devices
The Beautiful darkside wins
The beautiful darkside wins
Always one for a good time
Always one for extremes
Until the fabric of life starts tearing at the seams
And I can never remember
When it started to turn
I just simply forget all of the things I've learned
Cause I have the most reckless heart when I try
I have the most beautiful darkside
I need to find some meaning
Something true to believe in
Cause left to my own devices
The Beautiful darkside wins
The beautiful darkside wins
Some day I will die (Have I just...)
Could be today or tonight (...Wasted time?)
The truth is I'm terrified
Have I just wasted time?
Wasted time
Have I just wasted time?
Cause I have the most reckless heart when I try
I have the most beautiful darkside
I need to find some meaning
Something true to believe in
I'm terrified of seeing
The beautiful darkside win
The beautiful darkside win
