

## City of Orphans

### The Classic Crime

Jenny left from Idaho and made her home in Capitol Hill  
In a 300 square foot studio above a coffee shop near the Broadway Grill  
And every night she walks the block to trade in her time for cheap thrills  
And everyone she meets is cool  
But just out of reach and it kills  
She used to spend her nights by firelight and singing to the stars  
Now she
