Nowhere to run to, baby, nowhere to hide  
Got nowhere to run to, baby, nowhere to hide  
It's not love I'm runnin' from, just a heartbreak I know will come  
'Cause I know you're no good for me but you've become a part of me  
Everywhere I go, your face I see  
Every step I take, you take with me, yeah, yeah  
Nowhere to run to, nowhere to hide from you, baby  
Got nowhere to run to, nowhere to hide from you, baby  
I know you're no good for me  
Free of you I'll never be, no, no  
Each night as I sleep, into my heart you creep  
I wake up feeling sorry I met you, hoping soon that I'll forget you  
When I look in the mirror to comb my hair  
I see your face, just a smile in there, yeah, yeah  
Nowhere to run to baby, nowhere to hide  
Got nowhere to run to, baby, nowhere to hide  
I know you're no good for me  
But you've become a part of me, yeah yeah  
How can I find a lover that shouldn't be  
And it's so deep, so deep, deep inside of me  
My love reaches so high, I can't get over it  
It's so wide, I can't get around it no  
Nowhere to run to, nowhere to hide from you baby  
I just can't get away from you, baby, no matter how I try  
I know you're no good for me  
But free from you I'll never be, no, no  
Nowhere to run to, baby, nowhere to hide  
Got nowhere to run to, baby, nowhere to hide  
Got, got, got, nowhere to run  
Got nowhere to run to, baby and nowhere to hide  
Got, got, got nowhere to run  
No, no, no, no, nowhere to run, baby  
Got, got, got, got, got nowhere to run  
Nowhere to run to, baby
