

Ark Of The Covenant

The Congos

Every morning the black sun rise
Every morning the black sun rise
It shines out of the Ark of the Covenant

It shines out of the Ark of the Covenant
Princes, priests and warriors
Princes, priests and warriors
They were all saved in the Ark of the Covenant
They were all saved in the Ark of the Covenant
A pair of everything was saved in the ark
A pair of everything was saved in the ark

Even the ants, saved in a Noah sugar-pan
Even the ants, saved in a Noah sugar-pan
Princes, priests and warriors
Princes, priests and warriors
They were all saved in the Ark of the Covenant
They were all saved in the Ark of the Covenant
The Ark the Ark
The Ark Live it up in the Covenant
The Ark Live it up in the Covenant

Every morning the black sun rise...
