

Nana

The Congos

People keep looking for a sign
And wonder
Tell dem they got to lock out for it
And wonder
Tell dem they got prepare for it
My childrem please tell me
Whats really on your mind
Whats really on your mind
You loocking for a miracle
Before you realise
Before you realise
But you don`t understand
What`s happening around

My people
We`re in the valley of decision
Look how long
We have been robbed of
Our culture
Brutalize and scorn
My people
We`re in the valley of decision
Look how long
We have been robbed of
Our culture
Brutalize and scorn
Brutalize and scorn
People keep looking for a sign
And wonder
Tell dem they got to lock out for it
And wonder
Tell dem they got to lock out for it
Judgement coming
Watch out
Judgement coming
