

# Too Smooth

The Cool Kids

I'm too smooth  
Sweep it, get a new broom  
Even if it's too soon  
Preview, give it two spoons  
Scoop it, get a full soup  
Sip it, cool it down  
Right diving board  
Blue pool, water splash wave ride  
Asuma's got a new groove  
Yeah, we gonna smooth it out  
Work em' with a new tool  
I ain't tryna screw around  
Track suit, too cool  
Who was you, where you from?  
On the porch like old school  
Your mama won't let you walk  
I knew you was on bump (bump)  
Like a camel hump (hump)  
Like you had a lump in your throat, thought provoking  
Ain't no joke catching smoke  
Talking shit on the click  
And it's ticking with that watch nigga  
See you out of pocket now we gotta pack you up

Slidin' in the coup like a DM  
Married to the money, that's my BM  
I can hit your girl for the PM  
And later, she be talkin' to the VM  
Slidin' in the coup like a DM  
Married to the money, that's my BM  
I can hit your girl for the PM  
And later, she be talkin' to the VM  
To my VM, later she be talking to my VM  
To the VM, later she be talking to my VM

Smooth is the window when it's raining outside  
And you cryin' but you sayin' that it's somethin' in your eye  
Boy you smooth  
Smooth as your uncle's church shoes  
Always go to work shoes, always go to court shoes  
Smooth, smooth 222's  
Never nap, I never snooze  
With the pousey  
Swim another lap inside the pool  
Boy, smooth  
I text you when I hop up out the shower  
Chucky be finessin'  
Double dutchin' with the customers  
I'm smooth but I'm bustin'  
Turn me up a little louder  
All my little bitches showin' nipples at Coachella  
Ella, ella, ay  
You fell off, I'm well off  
Lil' fella go play  
I eat on gold plate, your jewelry gold plated  
My watch do the danglin' sound like ooh baby  
I'm going too crazy

Slidin' in the coup like a DM  
Married to the money, that's my BM  
I can hit your girl for the PM  
And later, she be talkin' to the VM
