

# Unsatisfied

## The Copyrights

It keeps us stuck in our old ways  
But it won't work today  
I know we're gonna have to try  
Again and again

I'm unsatisfied, it's not over, it's not over

10 to 6 everyday monotony replays  
10 to 2 every night watching hope  
Waste away

We've got a long way to go  
A long way to go, a long way to go  
Still far from home
