I ain't seen shit
i ain't heard (nothing) i don't know what happen
i don't speak pig latin
i am a motherfucking true when its us against you
so fox skyhutch and inspector goose
i was taught don't rely on pigs for protection
shit i don't even ask em for directions
you're in the wrong section of the hood for a crime to be inspected
got this block infected
you could get ejected inspected
ain't no love when you're the fuzz
i mean the fizz i mean my daddy told me who you was
i mean the wiz I mean
you can't get win
ease on down the road we got a don't speak to cops code
i went pro working for the man with the electric chair
that's why i never watched roberta and i hated huggie bear
even scooby doo snitched with that hippy ass van
but me i know the scoop i know the plan
ask me no questions i tell you no lies
you know the deal the real criminals who dressed in suit and ties
who holds the wealth you do more damage than health
so for me and my folks we gonna just do for self
i don't know shit about those stolen goods
you want peace mother fucker raise up out tha hood
i think you should no one is all i m gonna say
to get that 411 you better go ask mary j.
eroc do not play when there's pigs in town clown
you try looking up encyclopedia brown
```

i got disturbed fool i'm not your mocking bird

the only words coming out of my mouth is a lyrical thang

so please back tha fuck up off my screen tho

since i was four you was known to be the enemy

like rintintin you only give a shit for me

the community took four steps higher

86ing motherfuckas working for the suppliers

so sayonara before you catch a cap in your ass

no more questions in here so don't ask

chorus

you want peace motherfucka raise up out of the hood repeat

well all the tattletalers and undercover dwellers they are here to be placed into helicopter propellers and the narcotic snatched up by the seat of his pants his face was driven into a hill of army ants the man had the murder for his benz and his face i never saw the assailant he vanished through the mists "you know the faces and names all your stories are polluted tell me the truth before i have you electrocuted" attempting on my person wouldn't be the wise thing in your thoughts you have fear of my peoples uprisings the masses rebel your aircraft propels a cop was shot seven rounds were expelled went straight right to hell just for being a fascist burned uniforms and piles of human ashes "your making this difficult so for being a bastard i'll have you charged for murderer and resisting arrest"

I never did resist you're telling 4 smiths she's swung with the sticks so i made a spinal column twist twist one came with a body blow to osaygefo and he struck my abdominals and fractured his hand rebels away through the twigs blasted their wigs and there you will find a red ocean of pigs stay away from my zone where it starts and it ends that's how we murder policemen upon planet 10 step into this 8 by 10 I'm getting nervous you feel me point blank yo i feel the coppers came to serve us but now here he comes stepping through the fucking dough and we don't know who smoked that motherfucking cop at the liquor store but now you creep through the hood looking for a clue but your bob head twice with the point blank crew running up my bumper for late registration taking me to that station for interrogation and i guess i'm just supposed to just let my tongue run asking me shit that would get my mother hung but where I'm from up in my hood the shit won't raise if a brother is constantly tripping that would be his arse but now you want to creep up on me and threaten me with time while you got the billy club pointed at my spine with things nowadays ain't the same like they used to be doing time for contempt ain't new to me i never feared going down with my whole damn crew only thing that i fear is ever fucking with you well i too took a beating from the boys in blue and all cops watched like a pay per view and unless you're referring to this incident

we don't know nothing and we ain't seen shit
get it
