

Intro

The Coup

Hey how you do
and if you don't already know about my partner
let me introduce you to the nappy headed crew
the coup boots e roc and pam the funkstress,
damn these motherfuckas jam
bopping in the ninety-four to slide
into 95
riding like so
and if you aint already know
act like i told you punk
this is the foundation of funk
but before i let them loose
don't worry pass me some of that genocide and juice.
