The Cramps

Blues, blues baby, blues
I'm in the mood for the blues
...is coming in the...
I get the mood for the blues cause my good guy let me down
Oh blues, blues, oh blues, oh blues
Ah baby I feel the blues when my good guy lets me down
I get the blues in the morning, the blues at night
I get the blues, oh mama kick me right
I get the blues
I get the blues
I get the blues pretty mama when my good guy lets me down
Hey baby !
Oh blues, oh blues, oh blues, ah blues
Well I get blue baby when my hammer lets me down
I get the blues in the morning, the blues at night
I get the blues, oh mama kick me right
I get the blues
I get the blues
I get the blues little woman when my good guy lets me down
Hummmmm
