

Hard Workin' Man

The Cramps

Got a two-ton hammer
Got beat by the pound
I'm a hard workin' driver man
Six feet solid from the ground

Work my hammer for the factory
Foreman always wanna fight
Swallowed-up some TV dinner
Swing my hammer strong at night

When I was a schoolboy
Teachers said study as hard as you can
It didn't make no difference
I'm just a hard workin' driver man
