

It's Mighty Crazy

The Cramps

It's mighty crazy
It's mighty crazy
It's mighty crazy
That you keep on rubbin' at the same old thing

You know it's crazy
It's mighty crazy
It's mighty crazy
That you keep on rubbin' at the same old thing

You know I met a little girl
All short, down and blue
She saw me rubbin' and she started rubbin' too

It's mighty crazy
Almighty crazy
It's mighty crazy
That you keep on rubbin' at the same old thing

You know I know my little woman's so lovin'
I think her lovin' awful fine
I go crazy 'bout the way she got a' rubbin'
Cause every now and then it run across my mind

It's mighty crazy
Almighty crazy

Oh that you keep on rubbin' at the same old thing
We'll let's rub!

It's mighty crazy

Do that you keep on rubbin' at the same old thing

You know had on some old dirty clothes
Standin' by a tub
She pulled me down in it and man she began to rub

It's mighty crazy
