Let's Get Fucked Up

The Cramps

Let's get fucked up. Let's get fucked up. Let's do some stuff. And get fucked up. Tomorrow we'll feel like we was hit by a tru ck. Let's get fucked up. Goin' to a cockfight. Burn with, burn. All my stuff in shock might. Never ever return. Goin' to the b rink of Oblivion. Gonna need a shrink to get again. Let's get f ucked up...Gonna get lowdown. Gonna get keyed up. Gonna go to t own and get beat up. Gonna get way out. Gonna hit flameout. Whe n my head caves in. Slip on nocturnal shades. Go down to amateu r night. Do some purple haze. Probably lose some fight. Get coo l and casual. Get really sent. Dig some cruel and unusual punis hment. Let's get fucked up...
