

Mystery Plane

The Cramps

My daddy drives a UFO
Drops me off and then he goes
Leaves me on this myst'ry plane
Yeah, but he'll be back for me again
Ohhh yes he will!

Now I just can't identify
With this world so I don't try
Square pegs don't fit in round holes
Yeah, I can't fit into these clothes
Ohh ohh no!

My daddy's unidentified
Mom says I just appeared inside
Ohh looks like a case of hit and run
Yeahh, but all that workin' it's no fun
Oh oh no fun!

My daddy heads home back again
Yeah and takes me from this myst'ry plane
Oooo maybe if I go reeeaaal slow
He'll let me drive his UFO
Oh oh ohhh boy!

My daddy drives a UFO
My daddy drives a UFO
My daddy drives a UFO
