

Take My Time

The Crash

Forever and a day I will wait
Forever may not last very long
'Cause never prevails forever
Hello, hello, hello, where are we now

So take my time, I'll wait forever
Oh, take my life, I'll wait forever
Just don't break my heart, I'll wait for you, my love, we're de
stiny

However, you will give me more time
Whenever time's running out
You cover me with wonderful hopes
Hello, hello, hello, where are we now?

So take my time, I'll wait forever
Oh, take my life, I'll wait forever
Just don't break my heart, I'll wait for you, my love, we're de
stiny

To get her I will throw me away
Together, forever and a day
This waiting is killing me now
But true love will never die

So take my time, I'll wait forever
Oh, take my life, I'll wait forever
Just don't break my heart, I'll wait for you, my love, we're de
stiny
