

I remember the island
There's a tale to tell
Spin of the water wheel
Crack to the conger eel
A triangular canvas
In a sea of green
Translucent Man O' War
Staring to the shore
Roller coaster rides
A wish on the fairy bridge
When lightning almost struck
We kicked the rock for luck
I remember the ferry ride
I remember the night she died
All scenes from a play we see
Plainly
Slipped out of the blue
Into the black
I remember the island
But we can't go back
Willow
Willow
Willow
Willow
