

Six Nights A Week

The Crests

Well, six nights a week
I long for you
And then on Saturday night
I hold you in my arms again

I love you so but
I'm a fool it seems
Cause six nights a week
I see you only in my dreams

I want to hold you every night
But you won't give me a chance
I have to wait to hold you tight
Until the next Saturday dance

So why must we spend
Six nights a week apart
When night after night
I'd love to hold you to my heart

I want to hold you every night
But you won't give me a chance
I have to wait to hold you tight
Until the next Saturday dance

So why must we spend
Six nights a week apart
When night after night
I'd love to hold you to my heart

When night after night
I'd love to hold you to my heart

Wednesday, Thursday, Friday
Saturday, every night) woou
