1. It's a perfect day for letting go

D

A

for setting fire to bridges

boats

and other dreary worlds you know

let's get happy!

it's a perfect day for making out

to wake up with a smile without a doubt

to burst grin giggle bliss skip jump and sing and shout

let's get happy!

- R1: But it's much to late you say

Hmi

for doing this now

D

we should have done it then

Well it just goes to show

Hmi

how wrong you can be

A

and how you really should know

D

that it's never too late

Fismi

to get up and go

2. It's a perfect day for kiss and swell
for rip-zipping button-popping kiss and well...
there's loads of other stuff can make you yell
let's get happy!
it's a perfect day for doing the unstuck
for dancing like you can't hear the beat
and you don't give a further thought
to things like feet
let's get happy!

- R1: But it's much too late you say...

Fismi

- R2: Kick out the gloom

E

kick out the blues

Hmi

D

tear out the pages with all the bad news

Fismi

E

pull down the mirrors and pull down the walls

Hmi

D

tear up the stairs and tear up the floors

oh just burn down the house!

burn down the street!

turn everything red and the beat is complete

with the sound of your world

going up in fire

it's a perfect day to throw back your head

A

and kiss it all goodbye

3. It's a perfect day for getting old
forgetting all your worries
life
and everything that makes you cry
let's get happy!
it's a perfect day for dreams come true
for thinking big
and doing anything you want to do
let's get happy!

R1: But it's much too late you say...

R2: Kick out the gloom...
