

If Only Tonight We Could Sleep

The Cure

If only tonight we could sleep
In a bed made of flowers
If only tonight we could fall
In a deathless spell

If only tonight we could slide
Into deep black water
And breathe
And breathe...

Then an angel would come
With burning eyes like stars
And bury us deep
In his velvet arms

And the rain would cry
As our faces slipped away
And the rain would cry

Don't let it end...
