

The sun is up  
I'm so happy I could scream!  
And there's nowhere else in the world I'd rather be  
Than here with you  
It's perfect  
It's all I ever wanted  
I almost can't believe that it's for real

I really don't think it gets any better than this  
Vanilla smile  
And a gorgeous strawberry kiss!  
Birds sing we swing  
Clouds drift by and everything is like a dream  
It's everything I wished

Never guessed it got this good  
Wondered if it ever would  
Really didn't think it could  
Do it again?  
I know we should!!!

The sun is up  
I'm so fizzy I could burst!  
You wet through and me headfirst  
Into this is perfect  
It's all I ever wanted  
Ow! It feels so big it almost hurts!

Never guessed it got this good  
Wondered if it ever would  
Really didn't think it could  
Do it some more?  
I know we should!!!  
Say it will always be like this  
The two of us together  
It will always be like this  
Forever and ever and ever

Never guessed it got this good  
Wondered if it ever would  
Really didn't think it could  
Do it all the time?  
I know that we should!!!
