

Siamese Twins

The Cure

Emi D Ami C

I chose an eternity of this

Emi D

like falling angels

Ami C

the world disappeared

Emi D

laughing into the fire

Ami C

Is it always like this?

Emi D

flesh and blood and the first kiss

Ami

the first colours

C

the first kiss

We writhed under a red light

Voodoo smile

Siamese twins

a girl at the window looks at me for an hour

then everything falls apart

broken inside me

it falls apart

G Ami Emi

The walls and the ceiling move in time

G

push a blade into my hands

Ami

slowly up the stairs

Hmi

and into the room

Is it always like this?

Emi C

dancing in my pocket

Emi C

worms eat my skin

Emi

she glows and grows

C

with arms outstretched

her legs around me...

In the morning I cried

Emi D

Leave me to die

Ami C

you won't remember my voice

I walked away and grew old

You never talk

we never smile

I scream

you're nothing

I don't need you any more
you're nothing

it fades and spins
fades and spins...

G **Ami**
sing outloud

Emi

We all die!!!

G **Ami**
laughing into thefire...

Hmi

Is italways like this?
