

# To Wish Impossible Things

The Cure

Remember how it used to be  
When the sun would fill up the sky  
Remember how we used to feel  
Those days would never end  
Those days would never end

Remember how it used to be  
When the stars would fill the sky  
Remember how we used to dream  
Those nights would never end  
Those nights would never end

It was the sweetness of your skin  
It was the hope of all we might have been  
That fills me with the hope to wish  
Impossible things

But now the sun shines cold  
And all the sky is grey  
The stars are dimmed by clouds and tears  
And all I wish  
Is gone away  
All I wish  
Is gone away

All I wish  
Is gone away
