## The Cure

 There's no-one left in the world that I can hold onto  
 There is really no-one left at all, there is only you  
 And if you leave me now, you leave all that we were undone  
 There is really no-one left, you are the only one  
**F#mi** **G** **D** **Hmi**  
 And still the hardest part for you to put your trust in me  
**F#mi** **G** **D** **A**  
 I love you more than I can say. Why won't you just believe?
