

# Get Loose

The D4

Nothing to do in the city  
Can't get nothing to eat it's only 2am  
All the girls they look in the body  
They don't know nothing and I gotta get out

Get up get out get loose  
Get up get out get loose  
Get up get out get loose

Monkeys on my tv  
Speaks to beggars on a friday night  
I got the blues walking all over my streets  
I keep my head on I keep shaking no, I gotta get out!

Get up get out get loose  
Get up get out get loose  
Get up get out get loose

Get loose!

Get up get out get loose  
Get up get out get loose (Loose)  
Get up get out get loose (Loose)

Get up get out get loose (Loose)  
Get up get out get loose (Loose)  
Get up get out get loose (Loose)

Get up get out get loose (Loose)  
Get up get out get loose  
Get up get out get loose
